Safety Shindig

Generations Hall

Join the Second Line Parade at Hilton Riverside and march on down to Generations Hall for the Safety Shindig! The theme is MASQUERADE BALL — Come dressed as a mysterious stranger or as you are. Masks, beads, and drinks will be handed out on site!

The Hall is a renovated sugar mill dating back to the 1820's! It has been authentically decorated with artwork depicting the history of New Orleans jazz and offers a glimpse into a bygone era. Relax, have some fun, and celebrate with friends, new and old alike!
